HELP EMPOWER 10,000+ PEOPLE OUT OF EXTREME POVERTY

When I Grow Up exists to ensure that no child in the world needs to live in extreme poverty.

EX-TRE-ME POV-ER-TY (TRAGIC NOUN)
A condition affecting 1.2 billion people characterized by severe deprivation of basic human needs, including food, drinking water, sanitation facilities, health, shelter and education. Sometimes defined as living on less than $1.25 a day.

Where you live should not determine if you live. We are committed to playing our part in the movement that believes extreme poverty can be kicked off the face of our planet in our generation.

WE INVITE YOU TO JOIN THE MOVEMENT
We believe that poverty is not a lack of money but a lack of options. Education provides the options children in poverty do not presently have. We partner with local indigenous, non-profit organizations that specialize in providing education. We bring to them three things: 1) friendship, 2) funding and 3) networking to local and global resources.

Today we are helping empower 7000+ people out of extreme poverty. They live in Huruma slum, Nairobi Kenya, Zone 18 Guatemala City, Guatemala and the rural communities of Jacob & Palma, Haiti.

OUR GOAL BY 2020: Help us make it 10,000+ people.

ITS NO BIG DEAL:
JUST SAVING HUMANITY!

Our request is that you join us to help more children come out of poverty and break its cycle. Here are some ways you can be a difference maker:

When I Grow Up is a California based, U.S. non-profit 501(c)3 corporation.
OUR PHILOSOPHY

There are many talented leaders in the developing world. All they lack are the resources to match their visions and opportunities. We form a vibrant, authentic relationship with gifted local leaders. We get to know them, slowly invest in their work with transparency and accountability, then help fund and develop their organizations. Together we are focused on empowering children who live in extreme poverty through education, nutrition, healthcare and a safe environment.

OUR LEADERSHIP

An Accountability and Ambassadorial Board of well-educated professionals from various fields of work hold our Executive Director accountable for managing a sustainable, effective, informed and well-run registered US non-profit. Our non-profit 501c3 Tax ID number is 51-0657890

OUR INVITATION

Extreme poverty can be kicked off the planet in our generation. The solution is ‘bottom up’. Many local, indigenous, grassroots organizations work at the frontline of extreme poverty. Here they come face to face with the victims of this human tragedy. We invite you to join us in giving them the resources they need (bypassing big and possibly corrupt governments) to make a difference in an actual child’s life.

YOUR RETURN ON INVESTMENT

1. At least $0.88 on every $1.00 given goes to run our children’s programs and services to empower children out of extreme poverty.
2. 7000+ people receive help and the means to live on a weekly basis through your investment in When I Grow Up.
3. 500+ students in the Furaha Primary School, located in the slum of Huruma, are achieving grades that make it the #1 ranked school in their district of 120 schools.
4. Nearly 200 micro-businesses are providing vital income for single parents and guardians of orphans - empowering them and their families out of poverty.
5. Hundreds of children have energy, health and hope as a result of over half a million meals served every year.
6. Many children who are HIV+ are not only surviving, but thriving due to a healthy diet, antiretroviral drugs and the care of social workers.
7. Three of the most dangerous and despairing communities on the planet are seeing schools and community centers bring hope and a safe place for them and their children. They have a future that is different.
